

PSLUSD STANDARD DETAILS IN DWG FORMAT APPLICATION

Port St. Lucie Utility Systems Department
Utility Engineering Division
1001 SE Prineville St.
Port St. Lucie, FL 34984
E-mail: UtilEng@cityofpsl.com

The City of Port St. Lucie Utility Systems Department (PSLUSD) has provided standard details in an AutoCAD compatible (ver. 2013) DWG format for your convenience.

Terms and Conditions

The detail files contained in DWG format belong to the PSLUSD and may not be altered in any way, including reduction in size. The up-to-date PSLUSD standard details posted on the PSLUSD web site in the PDF format supersede any DWG format standard details. The PSLUSD has the right to update, change, or delete and detail drawings at any time and without notice.

PSLSUD makes no representation or warranties regarding accuracy of fitness for a particular use. The Engineer of Record is responsible for using sound design and engineering judgment regarding the use of these standard details.
